Cemetery Question?

The Cooper Street cemetery was granted to the people of Agawam in 1732. The voters are now being asked whether part of it shall be sold for a parking lot.

One fact has obviously been overlooked.

The fence encloses only that part of the cemetery where there are headstones, not the entire plot as it was first laid out.

The first gravestone bears the date 1742. From the time of settlement in 1660 until 1742, where did the people bury their dead?

This was an Indian and a white man's burying ground long before any headstones were set. In fact it was at least 80 years from the time of settlement to the placing of the first stone.

No one put up stones in those days, in the early years. They had no suitable stone nor any one to carve them.

About 15 years ago one of the cemetery caretakers, in digging a grave in a spot believed vacant, dug into human bones. He filled in the hole and dug in another

place. Who was buried there and when? There is no record.

The question is — how many bodies are there outside the present fence? The whole area was the cemetery, not just that now enclosed.

Shall we run the risk of digging up human beings for the sake of a parking lot? Is it not possible to find land in another spot for that purpose, or even to build 2-deck parking?

When I was asked for proof that the town owned the land in the cemetery, I was given the

Cheddar Highlights

Saucy Shrimp Casserole is a tempting example of the tasty contribution natural cheese makes to countless hot dishes. The popular cheese highlights a simple sauce that's combined with hard-cooked eggs and shrimp for a hearty, protein-rich main dish. Quick and easy to assemble, Saucy Shrimp Casserole is great for hurried-up family meals and equally appealing at a casual company dinner. A crisp green salad and hot rice or canned chow mein noodles are interesting tablemates.

Incidentally, this time we've chosen zesty sharp Cheddar to impart a good rich cheese flavor to the basic white sauce. Cheddar's flavor range also includes mild, mellow and extra sharp, so there's one to choose to best suit your mood and menu. Natural Cheddar cheese is available in sticks, wedges, bars and rounds of varying weights as well as in slices. One of the newest forms—handy packages of shredded Cheddar, ready to lend its special character to toppings and also sorts of delicious baked dishes like today's casserole. If you prefer to shred your own, remember that four ounces of cheese make one cup shredded.

Saucy Shrimp Casserole

1/4 cup Parkay Margarine	1/2 teaspoon Worcestershire sauce
1/4 cup flour	Dash of pepper
2 cups milk	3 hard-cooked eggs, sliced
2 cups (8 ounces) Shredded Cracker Barrel Brand Sharp Natural Cheddar Cheese	1 lb. (2 1/2 cups) cooked shrimp
1 teaspoon salt	Paprika
	Parsley

Make a cream sauce with margarine, flour, milk and seasonings. Add cheese, stirring until melted. Alternate layers of egg slices, shrimp and cheese sauce in a 1 1/2 quart casserole. Bake at 350° 20 to 25 minutes. Garnish with paprika and parsley. Makes 6 servings.

SOCIAL SECURITY

Questions and Answers

Q. I am enrolled in the voluntary medical insurance part of the medicare program. I had medical expenses which amounted to over \$50.00 during August 1966. Is there a time limit for filing my claim for reimbursement?

A. Yes, there is a time limit. All claims for medical insurance related to services furnished in July, August, or September 1966 should be filed by March 31, 1968. Claims for services furnished in the period from October 1, 1966 through September 30, 1967 must be filed by March 31, 1968. Claims for services furnished in the period from October 1, 1966 through September 30, 1967 must be filed by December 31, 1968.

Q. My wife and I have never worked under social security and we will both reach 65 during 1968. I have been told that all we have to do is file an application and we will be entitled to medicare. Is this right?

A. If you have never worked under social security, you will not be eligible for the hospital insurance part of medicare. People who reach 65 in 1968 or later will need some work under social security to be entitled to hospital insurance benefits. However, there is no work requirement for entitlement to medical insurance (which covers doctor bills) under medicare.

Q. I do not have the money to pay my doctor bill and he does not wish to collect the medicare payment directly. I understand I must pay the bill before I can receive payment from medicare.

A. This is no longer true. The law has been changed so that all you need to do now is get an itemized bill (paid or unpaid) and send it in with your medicare benefits claims form.

Q. I understand that people who will be age 65 in 1968 must have worked under social security in order to be entitled to hospital insurance benefits under medicare. Is this correct?

A. Yes it is. A person reaching age 65 in 1968 will need some work under social security to be eligible for hospital insurance benefits. He will need 3 quarters of coverage of about 9 months of work under social security.

Q. My husband has been in the hospital since October 15th. His 90 days of hospital coverage under medicare will soon be used up and we have no other insurance. Is it true that medicare will now pay for more than 90 days hospital care in a spell of illness?

A. Yes. Starting with January 1, 1968 medicare provides a lifetime reserve of 60 additional days of hospital coverage which can be drawn upon if needed. Your hospital insurance will pay for all but \$20.00 a day during this 60 days.

Q. My mother purchased a hospital bed which was necessary because of her condition. Will medicare pay for this?

A. Beginning on January 1, 1968, your medicare insurance can help pay for either rental or purchase of medical equipment such as wheelchairs, hospital beds, etc. Payments by medicare

on purchased items will be made over a period of time, as if the purchased item had been rented.

Q. A friend of mine told me there was a deadline of March 31, 1968 for filing my medical insurance claims under the medicare program. Is this true?

A. Yes it is. However, the time limit of March 31, 1968 pertains to services furnished in July, August, or September of 1966 only. The deadline for services furnished in the period from October 1, 1966 through September 30, 1967 is December 31, 1968.

Stamp Brings \$15,500

New York — A stamp from the days when Canada was a British colony was sold at auction here for \$15,500.

The 12-pence black Canadian stamp bore the likeness of Queen Victoria and was affixed to a letter mailed in 1852 from Hamilton, Ont., to New York. It was purchased by E. Luder & Co. of Zurich.

The stamp was part of the collection of the late Dr. G. M. Geldert, of Ottawa, a former president of the Royal Philatelic Society of Canada. The 180-lot collection brought a total of \$45,069.50 at H. R. Harmen, stamp auctioneers.

Maple Bean Pot

1 pound navy beans
2 ounces lean salt pork
1 cup maple syrup
2 large onions, chopped
Water
Salt and pepper to taste
Put beans in large kettle or soup pot. Cover with water, add remaining ingredients; simmer slowly several hours until beans are very tender but not mushy. Stir occasionally. As water steams away, add more sparingly, just enough to keep beans from sticking. These delicious maple-flavored beans are light colored and pleasantly sweet. Don't be surprised when someone asks you how you bake them. Of course they aren't baked at all!

Women's Club Travel "Down Memory Lane"

Members of the Agawam Women's Club will travel "Down Memory Lane" in a colored slide program to be presented by Mr. Stanley H. Smith of Holden at their meeting on Monday evening, March 25, at 8 p. m. at the Captain Charles Leonard House.

Mr. Smith has spent more than 25 years of painstaking search for pictures that will take his audience back through the years of summer trolley-cars, four-masted schooners, blacksmith shops and the horse and buggy. A number of his slides show scenic views of western Massachusetts in by-gone days.

In keeping with the theme of yesteryear, club members may patronize the gay-nineties photog-

raphy shop to secure a "tintype" memento of the evening.

Mrs. Arthur B. Sherry of Southampton, director of the 14th District of the Massachusetts State Federation of Women's Clubs, will be an honored guest.

At the business meeting prior to the program, Mrs. Robert M. Lewis, chairman, will present a slate of officers for the 1968-69 club year, as prepared by the Nominations Committee.

The Art Committee is arranging a display of Easter decorations. Mrs. E. Leslie Hill is chairman for the hospitality hour and will be assisted by Mrs. Francis M. Webber.

Airlift To Servicemen

TO BE ISSUED APRIL 4TH

United States Postmaster General Lawrence F. O'Brien has made public the design of the \$1 Airlift postage stamp.

It will be issued on April 4 at Seattle, Wash. The stamp will cover low-cost rates for parcels to and from servicemen based overseas and in Alaska, Hawaii, and Puerto Rico. Deputy Postmaster General Frederick C. Belen will represent the Post Office Department at the first-day ceremony, which will be held on April 3.

Parcels weighing up to 30 pounds and measuring no more than 60 inches in combined width and girth will be airlifted all the way upon payment of \$1 plus domestic parcel-post rates from point of mailing to Army and Fleet Post Offices. The \$1 stamp will also be valid for paying regular rates for other types of mail. The preferential rate for servicemen has been in effect since Jan. 7.

Stevan Dohanos, a member of the Postmaster General's Citizen's Stamp Advisory Committee, designed the stamp. His design was inspired by a late 19th-century wood carving of an eagle clutching a pennant.

This type eagle was made popular by John Bellamy, who carved battleheads for the Navy. A reproduction of it is part of the Index of American Design in the National Gallery of Art.

The horizontal stamp will be printed in blue, red, brown, and yellow.

The eagle is yellow with feathers detailed in brown. It clutches a pennant of blue and red in which are two white stars and a white inscription "Airlift." At the bottom is "For Our Servicemen" and lower right "\$1 U.S. Postage" both in blue. Blue, brown, and red will come off the Giori press; yellow by offset.

The stamp was modeled by Howard C. Mildner and engraved by Edward P. Archer (vignette) and William R. Burnell (lettering) of the Bureau of Engraving and Printing.

Collectors desiring first-day cancellations may send addressed envelopes, together with remittance to cover the cost of the stamps to be affixed, to the Postmaster, Seattle, Wash. 98101. A close-fitting enclosure of postal-card thickness should be placed in each envelope and the flap either turned in or sealed. The envelope to the Postmaster should be endorsed "First Day Covers \$1 Airlift Stamp" and postmarked no later than April 4, 1968.

Third Annual Genesee Fishing Contest April 1

Fishermen will be competing for \$5,135.00 in cash prizes and engraved gold trophies when the Third Annual Genesee Fishing Contest gets under way April 1 in Massachusetts, Vermont, and this year, for the first time, in the State of New Hampshire.

The seven-month contest, sponsored by The Genesee Brewing Co., Inc., Rochester, N. Y., awards monthly cash prizes of \$20, \$15 and \$10 for the largest fish caught in 12 classifications. This year, for the first time, every first place monthly winner will also receive an engraved gold trophy. In New Hampshire, in lieu of cash prizes, all winners will receive trophies.

A fact filled, 16-page Fishing Guide, containing entry blanks, lists of last year's winners, a two-page map indicating where the prize winners were landed, and other helpful tips can be obtained free at sporting goods stores, bait and tackle shops, boat livers or written request to Genesee Fishing Contest, Box 762, Rochester, N. Y., 14603.

Serving on the 1968 panel of judges are Perk Angwin, Outdoor Editor, Barre, Vermont Times-Army; Stan Berchulski, Outdoor Editor, Springfield, Mass. Daily News; and Henry Moore, Rod and Gun Editor, Boston Herald.

Why is 5/8" the shortest distance between the Atlantic and the Pacific?

When you dial Area Code 212 you reach New York. But Area Code 213 lands you in Los Angeles . . . over 2,000 miles away.

Yet the exact span between the 2 and the 3 on your telephone dial is only 5/8 of an inch. So you can see why it's important not to "guesstimate" an Area Code . . . not to dial carelessly. A wrong turn of your dial can detour your call across the country.

Make your move

And speaking of going across the country . . . is there a move in your future? Provided you're moving to a community served by the Bell System, your local Service Representative can now arrange to line up your new service before you move. You may also arrange to have your incoming calls referred from your present number to your new home.

Have an economy weekend.

Don't forget . . . telephone long distance rates are now just as low all day Saturday as they are all day Sunday. You don't have to wait till Sunday to take advantage of low long distance rates.

We try to make your every "hello" . . . a real good buy.

SPORTSMEN'S CORNER

By BILL CHIBA

The "wall" lately in sporting circles is that clubs are slowly deteriorating away. The memberships are large but the workers in the organizations are few. This is not the case in the West Springfield Fish and Game Club located on new grounds off Garden St., Feeding Hills.

Last year the club buildings and grounds were sold out from under them by a dissident landlord. The obstacles that had to be overcome were large and many. This did not discourage the members of the club and they purchased 21 acres of land which included a house and three ponds that had been used for rearing trout in the past. When you step into the new quarters of the club, you can feel the spirit of ownership and the accomplishments of things to come in the future.

Louis Cusson of Feeding Hills is sparkplugging a Junior Membership in the parent organization. Dues are 50 cents per year and youngsters are acceptable from ages 10 through 15. Parents do not have to be members of the WSP&G in order for the youngsters to join. Assisting Lou in the project is Don Budzynkiewicz and Edward Brusco.

The first project of the junior committee is now in progress. Fly tying classes are going to be held every Thursday at the club house. The first meeting, 15 enthusiastic youngsters signed up for the course. Registration is still open and you may participate by attending the next meeting this Thursday at the club house. Session starts at 7 p. m.

The club ponds will be stocked with trout March 28, and pre-season fishing will commence the weekend of April 6th and be allowed every weekend til the opening of the fishing season in Mass. The fly tying class will use their creations on the trout in the ponds.

The club has been registered with the NRA and gun classes will be held in the future for the youngsters. Members that will assist in the varied programs to come into focus this year are: Francis Way, Francis Richards, Richard Green, Pete Budzynkiewicz and Edward Jagla.

Ham shoots under the direction of Leo George, Harold Nowill,

Jr., Al Gallant and Bob Bernier are held every Sunday til the opening of the fishing season in April.

The above male members are backed up on the food concession by Emaline Brown, Bary Drew, Barbara Makrianis and Enuice Gibson. Two special baskets will be offered which will include the ingredients for a dinner plus a wee bit of cheer, the Sunday before Easter. Lou Cusson has donated a 45 pound ham which will be put up for a prize Palm Sunday.

If you want to join a club that is on the march to greater things, then drop in at the club house. Memberships are available.

President of the club is Al Christopher. Secretary Clayton Brown and Treasurer Frank Makrianis. Under the direction of this formidable trio, the club will go far.

49th Banquet

The 49th annual banquet of the Agawam Sportsman's Club will be held April 2 at the club house. The committee this year is as follows: Chairman, Carl F. Roberts; Co-chairman, Frank Maziarz; Tickets, Roland Reed, Joe Cirillo, Frank Walters, Jim Devine, Dick Schuhen and Harold Callaghan; Prizes, Guido Tessicini and Jim King; Sound system, Frank Marsh; Decorations, Dick Adelman and Bob Keefe.

The committee has again obtained the services of Mr. Frank Sutula of Suffield, Conn., and he will put forth his famous steak (family style) feast. Tickets are \$5.50 per and are going fast at this early date. You may pick tickets up at the club house or from members of the committee.

MEADE TO LEAD

The Agawam Bowmen Club held elections at its annual meeting of the Board of Directors recently. The Board elected Richard Meade, president; Ray Carestia, 1st vice-president; Bob Kopinski, 2nd vice-president; Gerald Trehey, secretary and James Clayton was re-elected treasurer.

The Board changed the date of the annual banquet from June 1 to May 11. The original date fell into the Memorial Day week-end and a great many club members would have missed the event.

Internal Revenue Service News

ARITHMETIC ERRORS

Massachusetts taxpayers are making more mistakes in arithmetic on Federal income tax returns than any other kind of error, according to William E. Williams, IRS District Director for Massachusetts.

Already, Mr. Williams reports, 4,243 returns have been held up at the IRS Service Center in Andover with errors in addition or subtraction.

He advises taxpayers that these mistakes can result in delay of refunds. When the IRS computers check a return's accuracy, and uncover an arithmetic error, Mr. Williams explained, the correction is made and a notice of the change is sent to the taxpayer.

Another of the major reasons for delay in issuing refunds, he said, is the failure of taxpayers to include their correct Social Security number on the tax return.

Refunds for 2,731 Massachusetts taxpayers had been delayed as of last week, Mr. Williams reported, because of incorrect or missing Social Security numbers.

Other refunds, he added, are being held up because of a variety of other errors or failures to comply with instructions mailed to each taxpayer with his tax forms.

Up to last week, 3,805 tax returns had been filed without the necessary signatures. These will have to be sent back to the taxpayers before refunds can be processed.

Returns filed without the required W-2 wage and tax statement or missing schedules which are causing refund delays so far total 7,340, and returns where taxpayers have used the wrong tax table total 9,690.

The IRS Service Center in Andover as of last week had processed 360,705 refunds of Massachusetts taxpayers for a total of \$59,547,168.73, Mr. Williams said.

Teahan dated January 30, 1945 and duly recorded in Book 1793, Page 524, purporting to secure a note for Eight Hundred Dollars (\$800) payable Twenty Dollars (\$20) monthly with interest annually, which mortgage appears to be undischarged, unassigned and unrecorded, on and by the record or not properly or legally discharged of record; that said mortgage was paid in full not later than October, 1947; that the mortgagor named in said mortgage and those claiming under them have been in uninterrupted possession of said land for more than twenty years after final payment was made thereon;

Wherefore your Petitioners pray that an order of notice issue for publication and after appropriate notices a decree may be entered on the foregoing allegations as authorized by Section 15, Chapter 240 of the General Laws as amended by Chapter 20 of the Acts of 1924.

Beryl & Doug Shaylor

FRIVOLOUS FUN FILLED FESTIVAL

Al Bessette (of the strained back) returns to action at the Robinson Park School this Friday night. On hand to greet the ever popular caller will be the usual complement of Agawam Promenaders and friends.

A warm welcome back to Fred and Anna Montagna who have just returned from the sunny beaches of Florida and judging from Fred's tan, it must have been a successful vacation.

The Promenaders Executive Committee has been hard at work (as always) making future plans. The date has been set for the annual club steak roast in June and a committee is being formed to handle the details.

The next club function will be a special closed dance Friday, April 5th, at the Robinson Park School. All club members are asked to make a note now of this date. All members should try and attend this special fund raising function.

Bye Bye Blackboard

"Students are stimulated to more creative work by the easy use of color. It also makes identification of letters easier," says Mrs. Connie Emshwiler, teacher in Okemas, Michigan.

Millions of American school children may soon wonder what black boards were. Their teachers will be writing in colors on a white, glare-free surface, using a new device which many believe has vast implications for education.

It is well known that advertising in color attracts more attention and is more persuasive than black and white. Attracting attention and persuading are strongly analogous to the process of teaching. In the words of one educator, "if writing on a black board with chalk were the way to communicate, we'd be writing with white pencils on black paper today."

The new device, the Eberhard Faber-Board visual aid panel is a four way communications device now being introduced nationally. It is used for writing with color markers, as a magnetic board, art board and projection screen. Combining these four features in one simple panel, says the manufacturer will help students learn faster, and also result in significant savings to schools.

One university is using the panel not only for motion picture projection, and color writing, but as a giant display panel and scoreboard for swimming meets.

During a year-long experimental program, the new panel has also brought color graphics to courtrooms, business conference rooms, and police academies. A computer programmer reported "the use of color on the panel to key input, output and interim procedures in flow charts greatly simplifies computer programming techniques."

"Grey is the color of all theory," wrote Goethe, the German philosopher-poet. Not so today. Color it bright!

Last Thursday about 350 AHS students took part in an orderly sit-down demonstrations protesting a school rule that pants

skirts and dungarees cannot be worn.

After the demonstration had been in progress for 15 minutes, Mr. Harris, school principal, asked the protesting students to either return to their classes or go home. All students returned to their classes.

Mr. Harris is to be commended for his action during and following the demonstration.

Seniors were victorious, but they barely overturned the faculty in an overtime score of 55-54. At the end of the fourth quarter, the score was a 48-48 tie.

During half-time junior and senior girls participated in a rope pull that ended with the seniors out-pulling the juniors two out of three times.

EUGENE H. LUND
Director of Veterans Services

Massachusetts World War II veterans who have not converted their term insurance to permanent plan policies may use an easy-stage method of making the change, the Veterans Administration pointed out today.

Both the law and VA regulations permit these term policyholders to convert as little as \$1,000 to a plan with fixed premium amounts, in order to avoid the periodic increases in the cost term insurance.

By converting \$1,000 a year for the next ten years, the full amount of a \$10,000 policy will be in permanent plan insurance within a decade.

VA officials pointed out that

annual dividends may be used in the process to reduce the cash outlay.

Permanent plan policies available to World War II term policyholders are ordinary life, 20-payment life, 20-year endowment, endowment at age 60 and endowment at age 65.

Permanent plans have certain values which term policies do not have, including loan value, cash surrender value, and an extended insurance value.

Information and assistance is available at the Agawam Veterans Office, Town Hall, Main St., or VA Contact Division, Room E-116, John F. Kennedy Federal Bldg., Boston.

V.F.W. Post 1632 and Auxiliary Bulletin

By ANNA D. BISSONNETTE

T'was the night for the wearing of the green last Saturday evening when over 200 members of the Veterans of Foreign Wars Post, Auxiliary and friends enjoyed a delicious Roast Beef Supper cooked by Chef Ray Allard.

Sporting green ties, aprons, shirts, hats, dresses and flowers were many good old "Irish" and the "would-be Irish." Many celebrated birthdays and anniversaries and were called upon to take a bow. There were young and old and in-between. The "Golden Agers" that attended had a ball and were served at a reduced price. We were happy to have you all. C. U. there next year?

The hall was decorated with giant shamrocks and the tables with green centerpieces. Many of these flowers found their way into many a buttonhole or tucked behind an ear. Everyone wanted to be wearing green in one way or another. Wish we could list the guests but they were too numerous to mention.

Chairman Gus Hocker wishes to thank his committee, the Ladies Auxiliary, all the wonderful people who donated door prizes and all the MEMBERS and NON - MEMBERS who helped make this his second annual Irish Night success. The proceeds will be entered in the "Building Fund" which will enable us to get our new "HOME" that much sooner. There is much to be done when a party like this is a success. Food planning, buying, cooking, soliciting help, paper articles, decorations, tickets, setting up, cleaning and washing up. More than three fourths (¾) of all this is done before a single guest arrives so the chairman wishes to make sure even the UN-SEEN help is appreciated. Did you know that . . . behind each great man there's a great woman? (I had to get that in Mrs. H.)

Each place was set with little gifts such as sponges, and matches. Everyone was happy to tuck them into their pockets or purse to use later and reminisce about their happy evening.

Frank DeMaio and his men played tunes to satisfy all the nationalities and singers.

The prizes were many consisting of Martini set, rug, transistor radio, attache case filled with spirits, wallets, perfume, clocks, lamps, steam iron, 12 piece pyrex ovenware, electric warming tray,

colonial wall plaques, warming trivet, key containers, shampoos, and flower arrangements.

Winners were: Carmella Forni, Tom Murphy #6714, Bruno Bellano, Carol Inman, Charles Beal, Millie Vassallo, Rose Carpenali, Rose Dean, David Dean, John Dean, John Alaimo, June Alix, Della Morse, John Boldebook, Louise Boldebook, Marie De Grandpre, Pat Catanzarite, Barbara Makrianus, Don Mailo, John Romano, Kathy Nelles, Doris Keely, Lucille Harpin, Lea Harpin, Judy Radle, Beverly Weldon, Walter Jodoin, Irene Cavanaugh, Charles Cavanaugh, Louis R. Cusson, R. Cusson, Millie Bonivita, Lora Karetz, Marie Fuller, Charles Luzenbuhl and me. Thank you one and all for all the help and for attending.

New Dolls Wink And Grow Teeth

New York

A realistic Negro doll, a round wagon, a shrinking machine, a bike with a T-bar stick shift, a lifeguard jeep with detachable floating life raft — these are among the hundreds of new toys making their first appearances this week at the 65th annual Toy Fair.

There is something old about a number of the new toys.

Negro dolls have been around for years but have been just brown-colored versions of white dolls — same hair, same features.

The Negro doll was commissioned by Remco, which hired a young Negro artist, Annuel McBurrows, as supervisor of a new line.

The doll, Winking Winny, winks when you squeeze her tummy.

She is chocolate brown, has curly hair and a broad nose. She has some cousins, too — Negro versions of white dolls the company makes.

CLOTHES FURNISHED

There are lots of flirts around winking, rolling their eyes, giggling, crying, and tumbling.

New this year is Baby Grow-a-Tooth. Touch her magnetic booties to her blue cradle, and she sits up; plays with her rattles. Give her a pacifier, and she grows a tooth.

There also is Little Lost Bany, who cries, sleeps, or chuckles when you turn her head. Tippy Tumbles turns somersaults.

Growing Sally really does — pull her tummy and she stretches. She has a big-girl clothes to go with her new status, too.

The moon wagon is an orange flying saucer with a back rest. Made from heavy steel, it can turn a tiny circle. It is made by Big Boy Manufacturing Company, Inc. of Burbank, Calif., and looks much like another of their products — barbecue grills.

Chicken 'n Dumplings

by Betty Crocker

Let's take a cue from Gramma and take the chill out of wintry nights with a hearty and homestyle dinner. Chicken and dumplings bubbly with color and nutrition. Pineapple-Bing cherry salads at the side. Old-fashioned chocolate chip cookies with ice cream for dessert.

To add nostalgic charm, serve the chicken and dumplings in an ironstone bowl. Fill a china teapot with artificial flowers. Or use a red and white tablecloth with fringed white napkins. Now scan the recipes. They show you how to go homey in a hurry.

Chicken 'n Dumplings

- 3-to 3½-pound stewing chicken, cut up
4 celery stalk tops
1 medium carrot, cut into ½-inch slices
1 small onion, sliced
2 sprigs parsley
2 teaspoons salt
½ teaspoon pepper
5 cups water
½ cup Bisquick
2/3 cup milk
2 cups Bisquick

In large saucepan or Dutch oven, place all ingredients except Bisquick and milk. Cover pan and heat to boiling. Cook over low heat about 2 hours or until chicken is tender. Remove chicken and vegetables from pan. Skim ½ cup fat from broth. Remove broth from saucepan, reserving 4 cups.

Heat fat in saucepan; blend in ½ cup Bisquick. Cook over low heat, stirring until mixture is smooth and bubbly. Remove from heat; stir in reserved broth. Heat to boiling, stirring constantly. Boil and stir 1 minute. Mix milk and 2 cups Bisquick well with fork. Drop dough onto hot gravy. Cook over low heat 10 minutes uncovered and 10 minutes covered. Place chicken and dumplings in serving dish; pour gravy over top. 4 to 6 servings. Pineapple-Bing Cherry Salad: Chill 1 can (14 ounces) pineapple chunks and 1 can (14 ounces) Bing cherries. Drain. Add ¼ cup chopped pecans, ½ cup whipping cream, whipped, and 1 tablespoon mayonnaise. Serve on lettuce. 6 servings. And if you're really an old-fashioned girl, try egg coffee: ½ tablespoon beaten egg to ½ cup coffee before adding water.
